

Q1: When will the salary be paid?

Q2: How is the tutor fee paid?

Q3: How to pay the overspending hour fee for full-time and part-time teachers?

Q4: Can income tax be withheld on salary?

A1: 1. Full-time faculty members, general salaried contract employees and project assistants: monthly salary will be paid on the 15th of each month. 2. Students: The study grant of the previous month will be paid on the 15th of each month. 3. Plan to work as an assistant: The project leader will apply for the previous month's salary at the beginning of each month with a sticky deposit slip.

A2: 18 weeks per semester by rank (14 weeks in the second semester of the graduating class), which is combined with monthly salary.

A3: Each semester will be paid according to the teacher's rank and actual teaching hours, and will be combined with the salary of the academic affairs team and the personnel office Issue.

A4: Yes, if the salary income does not meet the tax deduction standard, and you want to withhold the income tax, you can download the relevant table from the website of the Accounting Office single, and withholding at 5%.
